Please remember to be KIND to others and to YOURSELF!!! Putting down your own work also affects others who are inspired by you! No need to apologize for a “bad” design or look for faults...look for the positive things, or lessons you learned instead. 😊 ❤️

The whole point of the group is to INSPIRE you to practice and paint as often as possible! So if you miss a day (or two, or five...), keep on painting and posting, as often as you are able for the month!
