## Inspiration to Paint Challenge Guidelines

Paint and post every day, according to the theme on the daily theme list. No catching up or painting ahead, please. Only **NEW** creations each day!

Your entry should be added as a post in the MAIN Inspiration to Paint group, by MIDNIGHT in your timezone, each day. (if you are a few minutes late posting, don't worry, but keep midnight as your guideline)

Unless specified, designs should be painted on the FACE, if possible. Arms, legs, and practice boards are also allowed, if necessary. Designs should be done using face paints whenever possible.

NOTE- Bellies and backs are considered as "Body Painting" for the purpose of this challenge, and are only allowed on certain days. Body paint models **MUST** be 18 years of age or older and wear appropriate modesty covers.

Please post only **ONE** picture as your entry each day! Other views or videos can be added as a comment, or combine the photos into one collage.

If you miss painting or posting for a day (or more), just keep painting! You are not "out" of the challenge. No need to catch up on missed themes, either. Just jump back in with the current day's theme.
